Thank you students, staff, coaches, parents, and community members for allowing us to create the 2019 Highlander yearbook. I hope it becomes something students cherish more and more as the years go by.

Thank you to the many many parents who provided pictures to the yearbook staff. Without your pictures and help, this book would not be possible.

Thank you to businesses and organizations that purchased ads. Without your ad purchase, students would not be able to have an affordable yearbook.

Thank you teachers for putting up with me and my staff. And thank you to Dr. Miller, Mr. Lear and Mr. Wildesen for supporting me and my students.

Lastly, thank you SHS students. This book is for YOU. You may not understand it's importance now, but years from now you will understand. It has been an honor to help your classmates create a memory book that will last a lifetime. May God bless each one of you. And remember to save lives, have your pet spayed or neutered.
